

PLEASANT GROVE MIDDLE SCHOOL ENRICHMENT PROGRAM APRIL 12—MAY 21, 2010

El Dorado Musical Theatre has been producing award winning musicals featuring area performers for almost ten years, and has earned a reputation for high quality productions, and for developing well balanced performers. Over the years, you may have seen EDMT's productions of Aladdin, Annie, High School Musical, Joseph and the Amazing Technicolor Dreamcoat, Mulan, Les Miserables, and many others. Many of our performers improved their skills through classes offered by El Dorado Musical Theatre's Performing Arts Institute. At PAI, we believe performing is fun. It can raise your spirits. It can build self confidence. It teaches you that you can accomplish things never before imaginable. Performing well is even better. PAI's teachers provide friendly, helpful guidance, setting students on a path to becoming an exceptional, well rounded performer. Join us for these special, never before offered spring enrichment classes, exclusively for Pleasant Grove Middle School Students.

MINI-MUSICAL

Tuesdays 2:15-3:15PM

The musical numbers will then be written for the class by the musically trained teacher, Spencer Borup and the class will perform the original musical on the last week for parents. This is an innovative, unique experience. Due to the nature of this class, the maximum number of students is ten. Sign up early and create your own musical.
